Support of essential commodities to the underprivileged

The Corona pandemic has influenced people to become jobless at different sections of life. Perambalur is a rainfed district where people depend on farm and allied sector activities. Usually rabi crop maize/Cotton are the major source of income generating crops among farmers in the district. This Covid-19 lockdown period being a lean season complicated the sustainability of their livelihood . In accordance to that KVK staff voluntarily contributed monetary support to provide groceries & Vegetables for the marginal farmers & Landless laborers who are underprivileged and lost their income during the pandemic.
